The Art Institute
Hollywood
2010 - 2011

● Studied Web Design And Interactive Media

My education at Art Institute extensively covered print, mobile, user experience, and web design, delving into areas like color theory, illustrations, and digital media. I gained proficiency in Photoshop, HTML5, CSS3, and print layout. The curriculum focused on web development, aligning with W3C Standards and the latest practices in the design and web industries.

ICDC College
2008 - 2009

● Certificate in Graphic Design And Web Design

During this nine-month certificate program, I mastered design tools such as Adobe Photoshop, Illustrator, and InDesign. The course also introduced me to the essentials of web development, teaching me HTML, CSS, and JavaScript.

Work Experience

CIM Marketing Partners
Las Vegas, NV
2024 - Present

● Client Account Manager

At CIM Marketing Partners, I *lead and manage high-profile accounts* for national brands, prominent personal injury attorneys, and clients spanning a variety of industries. My focus is on fostering strategic client relationships, guiding projects from concept to completion, and ensuring seamless collaboration across teams to achieve measurable, impactful results.

- Lead a team of specialists, copywriters, designers, and digital strategists to deliver projects.
- Direct multi-channel marketing campaigns, including social media, SEO/SEM, email, and PPC.
- Oversee comprehensive client strategies, from initial planning to final delivery.
- Streamline operations and client communications using CRM and project management tools.
- Drive client relationships, facilitating project scopes, deliverables, and post-campaign.

Work Experience

The Design Bros

Las Vegas, NV
2022 - 2024

Digital Marketing Manager

At The Design Bros, I effectively *led a diverse team in managing a range of projects* and established an efficient Notion-based management system. In addition, I was responsible for directing digital marketing campaigns, brand strategy projects, UX/UI, and web design launches across multiple industries and markets.

- Head up a team of creative experts in executing a range of projects, from small-scale tasks to large, complex assignments.
- Oversaw the complete spectrum of branding, web design, and development, focusing on delivering visually appealing and user-friendly digital solutions that align with UX/UI best practices.
- Built a comprehensive Notion-based project management system from the ground up to streamline company and client operational processes.
- Implemented and oversaw digital marketing campaigns, focusing on strategy, content marketing, email marketing, social media marketing, SEO/SEM, data, analytics, testing and optimization.
- Managed client relations and operations, spearheading project meetings, project scopes, deliverables, client expectations and post-sale marketing.

Signs By Tomorrow

Temecula, CA
2021 - 2022

Senior Graphic Designer & Production Lead

- Create 10+ designs everyday including banners, decals, vehicle graphics, and large signage.
- Proficient in using industry-standard design software like Illustrator, Photoshop, Onyx, and EnRoute.
- Skilled in working with a range of materials: ACM, Aluminum, Coroplast, Foamcore, Polystyrene, PVC.
- Direct involvement in the full cycle of design, production, and management processes.
- Operating HP machines, CET large format printers, and MultiCam 2D/3D CNC routers for digital print production.

Freelance
Los Angeles, CA
2011 - 2021

Creative Director

- Crafted unique brand identities, including packaging, logos, and digital visuals.
- Led team on digital marketing campaigns, company audits, and ongoing client support.
- Applied best practices in content marketing to enhance client campaigns.
- Developed custom websites, ranging from small projects to extensive platforms.
- Managed email marketing, SEO, social media strategies, and PPC advertising campaigns.

MISLA
Los Angeles, CA
2020 - 2021

Graphic Design Instructor

- Delivered over 20 hours of graphic design training.
- Guided students to produce more than 50 social media content, both individually and in teams.
- Developed the comprehensive 3-week Bootcamp curriculum.
- Explored industry best practices, efficient workflow, and the business aspects of design.
- Managed email marketing, SEO, social media strategies, and PPC advertising campaigns.
